XCOM 2 ModsEvac All (WotC version available)Getting all of your soldiers to the evac point and having to go through the long roping out animation with each and every one of them is tedious to the point of torture.. Steam has a very healthy library of XCOM 2 mods, but you can also head on over to Nexus as well if you'd rather not use the Workshop.

Many people said his art would be awesome as a real enemy in XCom 2 As soon as I spotted his art, I said that I needed to have an Armored Viper in the game.. Xcom 2 Viper Vore Mission Compromised (6/?) by mawsome Xcom 2 Viper Vore Firaxis are up on Bethesda levels of supporting the modding community these days and while they seem to have left the community to their own devices, they have made it so easy for modders to really change the whole game.. Evac All adds a handy little button that makes every unit in the evac zone rope out at the same time.. Showing their commitment to the community, Firaxis actually teamed up with Pavonis Interactive (the creators of the original Long War mod for Enemy Unknown) to make sure that the modding tools were as streamlined as they could be before releasing them into the wild.. Let me show you what it has in store for you Be advised: I can't do this mod full justice just yet.. I first asked fellow mod author Claus to help out and he agreed and the project started.. Oct 25, 2017 If you want to shake things up a bit in XCOM then have a look at the Classless XCOM mod. ae05505a44 [Download image text to word converter software for mac free](#)
